

Join our Chinook Horses Social Thinking Group! Ages 7-9

In partnership with [Blue Kangaroo Autism Connection Center](#)

This group serves children with learning differences &/or trauma history who might otherwise not have social opportunities. It integrates the Eagala model with the Zones of Regulation & The Rules & Tools of Social Thinking curriculum. Evidence-based approaches are used to address learning, emotional, & social skills that are not acquired through typical office-setting or the classroom environment.

- Teamwork and communication through interaction with animals and peers.
- Communication and social cognition concepts.
- Creative expression through arts and crafts, games, and activities.
- Sensory and emotional regulation strategies.
- Opportunities for making new friends in a welcoming and safe environment.
- Collaborative group problem-solving.
