Blue Kangaroo Autism Connection Center

Social Cognition Camp!

Our Social Cognition Camp supports kids who learn differently or have faced challenges and may have limited opportunities to connect with others. We combine the Eagala model with proven, research-backed methods to foster learning, emotional growth, and social skills. Through horse-led activities, campers build teamwork and communication in ways traditional settings often can't. Our certified Eagala facilitators guide the journey, ensuring our campers and horses are supported every step of the way.

June-16 thru June-20

camp tuition = \$370 for the week

ages 5-7

9:00am - 11:00am

ages 8-10

12:30pm - 2:30pm

ages 11-13

3:00pm - 5:00pm

- Horse-led activities encourage teamwork, problem solving, and communication by requiring campers to collaborate, listen, and respond to both their peers and the horses.
- Limit of 6 children per group to ensure personalized attention.
- Creative expression through arts and crafts, games, and activities.
- Communication and social cognition concepts.
- Sensory and emotional regulation strategies.
- Opportunities for making new friends in a welcoming and safe environment.
